Public Relations / Marketing

This select group drives awareness of the club to the community in order to grow membership and increase donations. Through the use of social media, advertising, outreach programs, publicity events, handouts and networking, this committee always seeks outgoing, creative and graphic savvy individuals to spread the word.

Mentor Safety Town

Collects corporate sponsorships, promotes public awareness, recruits participants, screens teen helpers and assigns class lists. The event is a community contribution to our youth's safety education and a significant club fundraiser.

For more than a quarter of a century, Mentor Safety Town has been helping preschoolers &

their parents by providing them with peace of mind. In conjunction with the Mentor Police Department, we coordinate all aspects of "Safety Town", the safety awareness program for community children ages 4-6. The Committee is responsible for collecting corporate sponsorships, promoting public awareness, recruiting participants, and staffing each week through the use of local teens. Safety Town is held at a Mentor school location. Registration forms are available from the Mentor Public Library and our own website. Enrollment begins every February for the June class sessions.
